Dear Sir/Madam:

In response to your request, re/Fike Chemical Corporation, Nitro, W.VA, please note the following information. The Harry Miller Corporation did not sell nor provide any materials or service to Fike Corporation. Our company did, however, purchase two products from Fike Corporation during the period from April 1981 to November 1984. These products were diethylthiourea (DETU) and dibutylthiourea (DBTU); the volumes over this period were 51,700# of DETU and 8,000# of DBTU. Please find enclosed invoices, bills of lading, and freight bills for these orders. Our payments, i.e., check numbers, are handwritten on Fike Corporation's invoices. These transactions constitute the sum of our activities with the Fike Corporation.

We hope this information is sufficient for your needs, however, if we can be of any further service, please do not hesitate to contact us.

Cordially,

HARRY MILLER CORP.
